

# Thanksgiving Potatoes

## Timeless Essentials

### Directions

1. *Scalloped potatoes*, add 1 to 2 tablespoons Herby herb dip mix or Dilly Dill Dip mix to your baking dish when layering the potatoes, or add it directly with your white sauce for added flavour.
2. *Whipped or mashed potatoes*, add 1 tablespoon Garlic and Chive dip mix or Dilly Dill Dip Mix to your butter and milk as you mash or whip.  
Let these potatoes sit for five minutes with lid on to enhance flavor. An easy pot of delicious potatoes fit for company, but loved by the whole family.
3. *Baked potatoes*, instead of using plain sour cream or butter to top your baked potato, try any of our dips in prepared form. We enjoy the Garlic Ranch and Bacon dip on our baked potatoes.
